

Ready to Work?

CHOOSE WORKREADY!

If you are 12-24 years old and looking for a summer work experience, check out WorkReady. It's a program in July-August for youth living in Philadelphia. This summer, WorkReady experiences will include safe in-person participation at least 3 days a week.

WorkReady experiences are paid!

All participants receive compensation via wages or incentives depending on the program.

HOW TO GET STARTED

1 Apply for WorkReady at workready.org. You will receive instructions by email after you apply. Keep your application password handy!

Need to find a program?

Use our program locator at workready.org to find the right program for you. Once you select a program, use its referral code on your application.

2 Like any job, WorkReady requires paperwork. Make sure you have vital documents ready in case you are selected. For example, you may be asked for:

- Social Security Card
- Valid ID Card
- Birth Certificate
- Work Permit

The documents you need will vary by your age and your experience. For more info, visit workready.org

3 Check your email for an invitation to upload your paperwork to your online application using a computer or mobile device. Not every applicant who completes Step 1 will be selected for WorkReady.

Once you've completed these steps, your WorkReady program partner will email you with details about starting your program.
