SUGGESTIONS FOR FACILITATOR

This activity can be used with either a blank drawing paper, preferably 11" x 17", or the provided project sheet on the next page.

Reflection questions on the reverse side of the project sheet can be used with either the blank paper or project sheet.

You can facilitate brainstorming with the participants by writing their ideas on the board. Encourage them to come up with as many as they can, making sure that roots and branches are included. Also, do not give them directions #3 and #4 until they have first completed their drawing. You can then individually explain #3 and #4 as they finish, or wait until everyone has finished their drawings.
