Victoria

Victoria is a 4 year old who loves Cinderella. She brings joy to those around her with her big smiles. Unfortunately, she was diagnosed with Severe Aplastic Anemia when she was 3. She has been going through series of treatments from the hospital but, despite her brave willingness to fight, is yet to see any improvements.

Thousands of patients depend on the Be The Match Registry® to find a donor who can give them the chance for a cure. Join us. Save lives.
