

Electrochemistry and Applications **Workshop**

Have you ever wanted to know about?

Principles of **Electrochemistry**

Basic and modern instrumental electrochemistry

Battery and Fuel cell operations

Applications of electrochemistry in organic/inorganic chemistry

Bring your lunch and a notebook:

We provide a **tutorial course** to answer your questions!

No exams or grading! 😊 Pizza/soda at end of first and last session

Time: Wednesdays 12:00PM – 1:00 PM from July 10 -August 21
(8 weeks)

Place: Beury Hall 226B

For details, please contact Dr. Zhihai Li or Sepideh Afsari (Beury Hall 047, 048)

Email: zhihaili@temple.edu

Phone: (215) 204-3164 or 9707
