

Binh-An Nguyen

binh-an.nguyen@temple.edu

EDUCATION

Temple University, College of Science & Technology, Philadelphia, PA
Bachelor of Science, Chemistry | Minor: Art | GPA: 3.89

Expected: May 2022

RELEVANT COURSEWORK

General Chemistry I & II
Organic Chemistry I & II

Elementary Classical Physics I & II
Calculus II & III

RESEARCH EXPERIENCE & INTERNSHIPS

Undergraduate Research under Dr. Eric Borguet in Department of Chemistry:

Jan '20 - Present

- Research how simple solvents, e.g.: acetone, isopropanol, or heptane, diffuse and interact within the UiO-67 MOF.

Arizona State University & NASA Psyche Inspired Intern

Sept. '19 – May '20

- Developed outreach materials via original artwork to introduce and educate the public about Psyche and the Psyche Mission. The Psyche Mission is an ASU led NASA mission to send a spacecraft to the asteroid named Psyche that is located between Mars and Jupiter.

AWARDS AND HONORS

Dean's List (GPA above 3.72)
University Scholar Scholarship

Fall '18 – Fall '19
Fall 2018 – Spring 2022

PROFESSIONAL AND INSTITUTIONAL SERVICE

Vice President, American Chemical Society Temple Student Chapter
Treasurer, American Chemical Society Temple Student Chapter
Member, American Chemical Society
Volunteer, Temple Cherry Pantry

May '20 - Present
Sept. '18 – May '20
Oct. '18 - Present
Sept. '18 – Dec. '19
