

Jordan Wenning

jordan.wenning@temple.edu

EDUCATION

Temple University, College of Science & Technology,
Philadelphia, PA — *Bachelor of Science in Biochemistry, Minors
in Mathematics and Spanish*

Expected Graduation: May 2023

- Recipient of the Temple University Presidential Scholarship
- Member of the Temple University Science Scholars Program

Cumulative GPA: 3.96

RESEARCH & JOB SHADOWING EXPERIENCE

Undergraduate Research under Dr. Eric Borguet,
Department of Chemistry, Philadelphia, PA

MAY 2020 - PRESENT

- Simulation research of the restructuring of the hydrogen bonds of water in proximity to Al_2O_3 placed between a lipid bilayer, as well as research of the interfacial structure of amino acids using Python and Linux programming

GlaxoSmithKline, Collegeville, PA - Job Shadowing

MAY 2019

- Met pharmaceutical researchers and shadowed in labs at all stages of drug development, from conception to distribution

VOLUNTEER EXPERIENCE

Elmwood Park Zoo, Norristown, PA — Education Volunteer

MAY 2019

ACTIVITIES

Member, Temple University
Green Chemistry Committee,
October 2019 - Present

SKILLS

- Titration & colorimetry in a chemistry lab
- Conversational in Spanish
- Basic coding in Swift

COURSEWORK COMPLETED

Honors General Chemistry I & II with Lab

Organismal Biology with Lab

Calculus III

Linear Algebra

AWARDS

American Chemical Society
Excellence in Chemistry
Award, 2017

Dean's List (GPA above 3.72),
Fall 2019 - Spring 2020
