OBJECTIVE

I hope the information below is an indication that I am a good fit for this position. My discipline, responsibility, and commitment are demonstrated by the seven years I participated in Boy Scouts, where I earned the rank of Eagle Scout, and school jazz band. My goal is to gain work and lab experience related to my Chemistry major that will be instrumental in getting a career in my field upon graduation in May 2026. My career goal is to utilize my chemistry degree in pharmaceutical or industrial research.
