

Kévin Malecamp

Chemical engineering student

As a second-year student in an engineering school specialized in chemistry, I have acquired knowledge and skills in synthesis and characterization, whether in the field of organic chemistry, polymers, or materials. I also possess a solid foundation in chemical engineering and modeling tools.

Languages :

FRENCH : C2

ENGLISH : Fluent, B2 TOEFL

GERMAN : Intermediate, A2

Skills :

- Rigor and professionalism in work
 - Initiative-minded
 - Teamwork skills
 - Good communicator and attentive listener
 - Adaptable / Strong adaptability
-

Computer Skills :

- Regressi (project carried out during preparatory classes)
- Igor (Used during the internship at Temple University)
- Excel (school coursework + Pix certification)
- Python (school coursework + Pix certification)
- Google Suite applications
- Kdenlive (video editing for student projects)

Education

2024 – Engineering School – École Nationale Supérieure de Chimie de Lille (Centrale Lille Institut - ENSCL)

Engineering degree in Polymeric–Organic Chemistry in 2027

- Head of External Relations within the Student Council

2022–2024 - Intensive preparatory school - Lycée Jean-Baptiste Corot

Studies in Physics and Chemistry to prepare engineering schools entry exams

2019–2022 - High School - Lycée Privé Épin

General track, with majors in Mathematics and Physics, Biology in the first year

- Baccalauréat (high school diploma) obtained with honors (good mention)
-

Work experience

April–July 2026 – Temple University, Philadelphia, USA

Research Internship in Adsorption and Spectroscopy.

- Study of the adsorption of various solutes by Metal–Organic Frameworks.
- Study of these mechanisms by Raman spectroscopy.

July–August 2025 - Service Commun des Laboratoires, Massy, France

Internship – Laboratory Technician

- Grinding of fruit, vegetable, and cereal samples, weighing and preparation of samples.
 - Phase separation of samples, extraction of aqueous phases, and sample analysis using different GC–MS and LC–MS.
-

Interests

- Volleyball played in a club from 2012 to 2024, team captain from 2021.
- Holding a Fishing licence.
- Cinema.
