With more than 60 million people using dating apps and websites, scammers have a pool of potential victims to target. With Valentine's Day around the corner, join us to talk about romance scams, myths, current trends, case studies, consequences, and what to do if you (or someone you know) has been scammed.

Bio: Shortly after becoming a widow and realising you are very attractive to 4 star Generals, **Ruth Grover** did a lot of research. That research showed me things I never knew existed. All I knew was s, I wanted to do something about it. To warn and hopefully cut down on the exploitation by cyber criminals.
