

A Chat with Women in Tech & Cybersecurity

Wednesday, March 20, 2024, 6 PM-7.30 PM ET

In honor of Women's History Month, the [CARE Lab](#) and the [Women in Cybersecurity \(Temple Chapter\)](#) are excited to offer a panel discussion featuring an amazing group of women working in tech and cybersecurity fields. Join us as they share their work, the challenges they face, and what needs to be done to support and encourage them in the field.
