### Experience

CARE LAB: CYBERSECURITY IN APPLICATION RESEARCH AND EDUCATION, Philadelphia, PA September 2024- Present

#### **Undergraduate Research Assistant**

- Collaborating on a social engineering and critical infrastructure project, developing a fictitious website that simulates real-world cyber vulnerabilities, providing hands-on learning experiences for students in identifying and addressing security risks and social engineering techniques
- Assisting in executing outreach events aimed at educating local Philadelphia residents and children on safe internet practices and cybersecurity awareness

HOMELAND SECURITY INVESTIGATIONS, Philadelphia, PA

January 2024-May 2024

#### **Student Volunteer**

- Assigned to Cybercrime Investigations Task Force
- Completed casework-related assignments for various investigative groups exercising time management and organizational skills
- Collaborated with special agents on operations including search warrants, seizures, and surveillance

BRISTOL TOWNSHIP POLICE DEPARTMENT, Bristol, PA

May 2023 - June 2023

#### **Intern**

- Completed 8-10 ride-alongs for day and evening shifts amongst different officers, observing a variety of scenarios including 6-8 domestic disturbances, 3-4 court hearings, 1 DUI car stop, and multiple traffic citations
- Engaged in Vehicles Close Quarter Battles Training, experiencing realistic perilous scenarios and studying powerpoint presentations
- Operated in Records Department, documenting ~50 stolen items in the system

WARMINSTER POLICE DEPARTMENT, Warminster, PA

October 2022 - May 2023

#### **Intern**

- Engaged in meetings discussing investigative strategies regarding reopened cold case, gaining experience in homicide investigation and adapting skills in problem solving and collaboration
- Completed 5-7 hours of clerical work per week, including copying and transporting paperwork to Bucks County Courthouse to support active investigations
- Collaborated with Detectives and Assistant District Attorney in sorting through evidence, learning about the processes and procedures of DNA evidence analysis

BUCKS COUNTY DISTRICT ATTORNEY DETECTIVES, Doylestown, PA

May 2022 - July 2022

#### **Detective Intern**

- Collected and organized evidence for \$426,000 insurance fraud case using Excel spreadsheets, collaborative skills and investigative techniques
- Witnessed 3 search warrants alongside SWAT units, Homeland Security Special Agents, and local police officers; inspected and seized child pornography, narcotics, and illegal firearms
- Listened to 300+ prison calls for a homicide case and wrote summary reports utilizing attention to detail
- Studied two autopsies for a murder-suicide case, expanding knowledge on pathology and determining cause of death
- Observed 10+ court proceedings including colloquies, arraignments and plea hearings
- Invited by Assistant District Attorney to assist in reopened cold case and shadow court hearings in October 2022

### Leadership Experience

DELTA PHI EPSILON, Philadelphia, PA

February 2023 - May 2023

#### **Standards Board Member**

- Hear and investigate weekly cases of sorority members accused of chapter laws violations and assign sanctions while practicing discretion and remaining impartial

#### **Risk Management Chair**

February 2023 - May 2023

- Mitigate risks within the chapter by attending weekly meetings, maintaining good standing and rehearsing for upcoming events
