Gymnastics Teachers

Location: The Gymnastics and Cheerleading Academy in Cherry Hill, New Jersey.

The Gym is approximately 12,500 square feet and sits on 3 acres of land. Our indoor, air-conditioned gym has two in-ground trampolines, an in-ground foam pit, zip line, rings, parallel bars, vault, large spring tumbling floor, tumble track, uneven bars, beams, a dance studio, and observation deck. We offer classes for boys and girls, ages 2 ½ and older.

Qualifications: Applicants must be at least 18 years of age and a high school graduate (or hold a GED or GED equivalent). College students with either a background in gymnastics, cheerleading, parkour, OR coursework rooted in education, kinesiology, or physical education are strongly encouraged to apply. Applicants must have a clean criminal background and be dependable, energetic, and enjoy working with children.

Job Duties: Teachers are responsible for students throughout the entirety of the class (ranging between 45 – 90 minutes). This includes explaining and spotting skills you are teaching, facilitating smooth transitions between activities, aiding students during assigned activities, and promoting a positive, healthy, and fun atmosphere for student. The ideal candidate has experience with gymnastics or cheerleading and is able to spot students when performing skills.

Duration: This is a paid, part-time position. We are willing to work with those who need school credit for an internship, as well.
