**Independence Mission Schools – PreK-8th Grade Teachers**

In search of dynamic and motivated full-time, benefitted teachers to plan and deliver creative and engaging lessons at one of fifteen culturally diverse, urban Catholic PK/K - 8 schools.

The successful candidate will be a meticulous planner whose objectives adhere to the Common Core State Standards (CCSS), whose learning activities include the integration of 21st century technology and data-driven instruction using pedagogy that employs evidence-based best practices in the classroom.

The successful candidate should:

- Demonstrate collegiality to integrate cross-curricular instruction and real-world problem solving skills.
- Be not only skilled in their subject areas but also enthusiastic learners who apply skills learned through frequent subject and grade level teamwork and professional development.
- Model outstanding character traits according to the ethics, values, and philosophy of the Catholic Church, and exhibit these traits through a positive classroom atmosphere.
- Lend their skills and interests to coaching and moderating of extra-curricular activities.
- Have excellent communication and presentation skills as well as solid planning and organizational skills.
