Took Uncle Baron's boat to the Block for the weekend with Halle. I haven't been here in forever but the island still looks the same. Walk to the Bluffs from where we docked was awful.

See you soon

*I'm in Blue Hen country!  
We went down to UD this  
weekend to visit some of  
Kristen's friends. We ended  
up going to this cute little farm  
in Maryland and we tried to  
talk to some of the farm animals.  
Pro tip: never chase a chicken.*
