Hey there, Mom-mom!

I couldn't help but be reminded of you and Pop-pop while I was walking through the open fields of cattle this morning. It reminded me of taking nature walks with you both when I was a kid in the open fields in front of your old house and had to write you this post card.

After visiting uncle Liam's cattle, Tom and I took our first day trip out to Belleek Castle! Since this is the first castle I have ever seen, I wanted to share it with you since you mentioned to me that you have always wanted to see a real castle. Just use that app that we told you about to scan the image to view the digital postcard!

Love you and miss you!
