HAPPY NEW YEAR

Congratulations Chris DeAngelo

Our Mission

Nur Shriners is one of 196 Shrine Centers that comprise Shriners International. We are a part of the Masonic Fraternity and founded on fun and fellowship, all the while holding true to the Masonic principles of brotherly love, relief, and truth. In 1920, the Imperial Council voted to establish a "Shriners Hospital for Crippled Children," which opened in 1922 in Shreveport, LA. From this one hospital grew a network of hospitals known today as Shriners Hospitals for Children, whose mission is to provide orthopedic care, burn treatment, cleft lip and palate care, and spinal cord injury rehabilitation for children 18 years of age and under in a family-centered environment with NO financial obligation to patients or families. Specifically, Nur Shriners support the Shriners Hospitals for Children - Philadelphia through transporting children to and from the Hospital and raising funds for its operation.

As part of the Masonic Fraternity, one must be a Mason in order to join. If you would like more information about Nur Shriners or the Masonic Fraternity, drop us a note either through email or by calling.

Welcome, Nobles, to 2026

As I look back on when I first joined NUR Shrine and to the present day, I can see a lot of change. Building improvements and more events, and let's not forget our bingo. At the beginning of Kevin Urick's year, he stated, "A shrine is more than just a building". Our nobility is our greatest asset; we need volunteers to help with our fundraising events. I would like the heads of the clubs and units to step up and send some of their members to volunteer for an event. We have some great volunteers, but we can always use more volunteers.

Ill. Sir Ruben Kelly and his bingo team, this is our biggest fundraiser for our shrine. Jeff Lank, our business manager, for bringing in new events. I know that with work and family, it's hard to volunteer, but if you can plan two or three times a year, that would help. We have a lot of great events planned for 2026 and really need the help. We can also use volunteers to make phone calls to our older nobles to check up on them. You would be surprised at what a phone call can mean to someone. Just a reminder: January 5th, 2026, at 7 pm: We will hold our annual meeting and installation of officers.

January 23rd, 2026, at 6 pm: Will be the introduction of officers and units.

NUR SHRINE LEGION OF HONOR

VETERANS, ACTIVE AND PRIOR SERVICE MEMBERS OF ALL BRANCHES OF MILITARY SERVICE

The Nur Shrine Legion of Honor "LOH" is one of the oldest and most active units in Nur Shrine. How we obtained that status is quite simple – it is the bond formed through having served in the military. We know how to have fun and get things accomplished by working together.

In addition to our monthly meetings, we have several social functions every year all of which include our Ladies. They are Past Commanders and Ladies Night, Commanders Banquet, Memorial Day Wreath Laying Ceremony followed by a picnic. We partially defray the cost of these functions through the two gun shows we work at and sponsor each year. Members participate in various community parades as well as the Mid-Atlantic Shrine Association annual parade. Some members travel to Legion of Honor functions at other Shrine Centers.

Membership Requirements:

- Be a Master Mason
- Be a member of Nur Shrine
- Present proof of military service, DD214 or Military identification card

If you do not meet the first two requirements, ask us and we will help you through the process. If you are interested in becoming a member of the Legion of Honor please return this to: **Legion of Honor, Nur Shrine, P.O. Box 10085, Wilmington, DE 19850-0085**

New Patient Referral Process Approved at Imperial Session

**Shriners Hospitals
for Children®**

Great news! It is now easier than ever to refer a patient to Shriners Hospitals for Children®! At the 138th Annual Session in July 2012, the attending delegates approved amendments to the Colorado Bylaws 509.2 and 509.3 which simplified the way for patients to access Shriners Hospitals. Patients/families no longer need to fill out a two-page application form that must be processed before being considered for treatment. While this is a big change for our system and YOU, we want to assure you that our Shriners are more important than ever in finding children that need our help; as well as informing the public about the noble mission of Shriners Hospitals for Children. We need your participation now, more than ever, to reach more patients. This new process makes it easier for our patients and will still allow for engagement with the nobility. Travel and transportation support should not change. Contact your Shrine temple or hospital if you have questions.

This new intake process continues to support your valuable referrals, without the added step of completing a patient application. Instead, simply provide patients/families with the Shriners Hospitals for Children patient referral card, which may be obtained from your hospital or Shrine temple. In addition, a new Patient Referral Form will be forthcoming in the near future. However, the referral card is preferred, with the patient/family calling the hospital's referral intake line directly. Why? This is the quickest and most convenient way for a patient to get the care they need.

When did this start? In October 2012, Shriners Hospitals simplified the process for our new patients; allowing patients' immediate scheduling for an appointment if their clinical needs meet the hospital's scope of service. To avoid any confusion to our patients or the community, temple staff are asked to no longer use the application form and remove any reference to a patient application process in temple materials or website. Thank you for your continued hard work in helping the children. Please contact your local Shriners Hospitals facility if you have any questions.
