Our Mission

Nur Shriners is one of 196 Shrine Centers that comprise Shriners International. We are a part of the Masonic Fraternity and founded on fun and fellowship, all the while holding true to the Masonic principles of brotherly love, relief, and truth. In 1920, the Imperial Council voted to establish a "Shriners Hospital for Crippled Children," which opened in 1922 in Shreveport, L.A. From this one hospital grew a network of hospitals known today as Shriners Hospitals for Children, whose mission is to provide orthopedic care, burn treatment, cleft lip and palate care, and spinal cord injury rehabilitation for children 18 years of age and under in a family-centered environment with NO financial obligation to patients or families. Specifically, Nur Shriners support the Shriners Hospitals for Children - Philadelphia through transporting children to and from the Hospital and raising funds for its operation.

As part of the Masonic Fraternity, one must be a Mason in order to join. If you would like more information about Nur Shriners or the Masonic Fraternity, drop us a note either through email or by calling.

Stepping up to support our Shrine

I want to give a special shout-out to the legion of honor for all they do for the shrine. I would like to thank the clowns for a great turnout at our first circus in a very long time. We had a great turnout, and the public loved it. Next year, the circus will come back for a longer time. Our Director General has been doing a great job, and the parades have been fantastic. Our shrine events have been ok. It would be nice to see more units at our events. In closing, I would like to thank all the nobles who volunteer at our events.

The Power Behind the Fez - Why We Need You

When our community sees us coming down the street in a parade, driving the mini-choppers, corvettes, red wagons, or bringing out the pirates, clowns or Hillbillies, they see the fun of our fraternity. And they should! Fun and fellowship are the lifeblood of our temple. But as Nobles, we know what lies beneath the surface of those smiles and cheers.

We know that every parade, every laugh, and every event we host is the engine that drives the greatest philanthropy in the world: Shriners Children's.

Many of us joined this fraternity to make a tangible difference. We took our obligations so that a family facing the hardest moment of their lives can hear the words, "We can help your child, and you won't have to pay a dime." That miracle does not happen by accident. It happens because the men, women, and children of this temple are willing to roll up their sleeves and put in the work.

As we look toward our upcoming and past events (Bingo, Carnival, Circus), we find ourselves at a critical juncture. To make these events a success, we need boots on the ground. We need you.

It is easy to look at the calendar and think, "I am already too busy," or "Let the younger guys handle it this year." But we are not asking you to give up your entire weekend, nor are we asking you to carry the load alone. We are asking for just a few hours of your time to stand shoulder-to-shoulder with your brothers.

Here is what happens when you step up to help:

The Impact of a Short Shift

Committing to a brief two-to-four-hour shift makes a massive difference. Operationally, your time ensures our doors stay open, that we have heat and air conditioning, and that we pay our utility bills. Fraternally, it provides the perfect excuse to catch up with brothers you might not have seen since the last stated meeting.

Making It a Family Affair

You do not have to volunteer alone. Bringing your Ladies and family members helps us double our manpower, which directly translates to raising more funds for pediatric care, surgeries, and braces. Beyond the fundraising, it integrates your loved ones into the joy of Shrine fellowship, making the day a rewarding experience for everyone.

Teaming Up With Your Unit

When you sign up to work alongside your specific unit, you provide the organized structure we need to park cars, run gates, sell tickets, or manage hospitality. It is a fantastic way to build unit pride, engage in some friendly rivalry with other clubs, and share a great meal "together" after the hard work is done.

Let's Get to Work for the Kids

When you fill a slot on the volunteer roster, you are actively keeping the lights on at the hospital and in your Shrine Temple. You are turning our fraternity's promises into reality. This year, let's bring our units together, show this community the true strength of our temple, and remind ourselves why we became Shriners in the first place.

Thank you, Nobles, for your time, your dedication, and your unwavering support for our kids and Nur Shrine.

Yours in the Faith

PRICELESS PUBLIC APPRECIATION

On Friday June 12 the Shrine Club of Delaware held its annual shrimp feast. The event was fairly well attended this year and we are hoping for a much better turn out next year.

Special thanks to Gus's Crab Shack and Haass Family Butcher shop for their support. Thank you to Danny Bargelsi for preparing and cooking the shrimp, also thank you to everyone else who volunteered their time to help make the shrimp feast successful.

We are the oldest Shrine Club in North America and with the support of our members we can be more successful in the future.

NUR SHRINE LEGION OF HONOR

VETERANS, ACTIVE AND PRIOR SERVICE MEMBERS OF ALL BRANCHES OF MILITARY SERVICE

The Nur Shrine Legion of Honor (LOH) is one of the oldest and most active units in Nur Shrine. How we obtained that status is quite simple – it is the bond formed through having served in the military. We know how to have fun and get things accomplished by working together.

In addition to our monthly meetings, we have several social functions every year, all of which include our Ladies. They are Past Commanders and Ladies Night, Commanders Banquet, Memorial Day Wreath Laying Ceremony, followed by a picnic. We partially defray the cost of these functions through the two gun shows we work at and sponsor each year. Members participate in various community parades as well as the Mid-Atlantic Shrine Association annual parade. Some members travel to Legion of Honor functions at other Shrine Centers.

Membership Requirements:

- Be a Master Mason
- Be a member of Nur Shrine
- Present proof of military service, DD214, or Military identification card

If you do not meet the first two requirements, ask us, and we will help you through the process. If you are interested in becoming a member of the Legion of Honor, please return this to: Legion of Honor, Nur Shrine, P.O. Box 10085, Wilmington, DE 19850-0085

New Patient Referral Process Approved at Imperial Session

**Shriners Hospitals
for Children®**

Great news! It is now easier than ever to refer a patient to Shriners Hospitals for Children®! At the 138th Annual Session in July 2012, the attending delegates approved amendments to the Colorado Bylaws 509.2 and 509.3 which simplified the way for patients to access Shriners Hospitals. Patients/families no longer need to fill out a two-page application form that must be processed before being considered for treatment. While this is a big change for our system and YOU, we want to assure you that our Shriners are more important than ever in finding children that need our help; as well as informing the public about the noble mission of Shriners Hospitals for Children. We need your participation now, more than ever, to reach more patients. This new process makes it easier for our patients and will still allow for engagement with the nobility. Travel and transportation support should not change. Contact your Shrine temple or hospital if you have questions.

This new intake process continues to support your valuable referrals, without the added step of completing a patient application. Instead, simply provide patients/families with the Shriners Hospitals for Children patient referral card, which may be obtained from your hospital or Shrine temple. In addition, a new Patient Referral Form will be forthcoming in the near future. However, the referral card is preferred, with the patient/family calling the hospital's referral intake line directly. Why? This is the quickest and most convenient way for a patient to get the care they need.

When did this start? In October 2012, Shriners Hospitals simplified the process for our new patients; allowing patients' immediate scheduling for an appointment if their clinical needs meet the hospital's scope of service. To avoid any confusion to our patients or the community, temple staff are asked to no longer use the application form and remove any reference to a patient application process in temple materials or website. Thank you for your continued hard work in helping the children. Please contact your local Shriners Hospitals facility if you have any questions.

If you are looking for something to do with those old ink jet cartridges instead of just throwing them away the Shrine can make a little money on those cartridges. It is of NO cost to you. They accept only inkjet cartridges, they **Do Not** Accept Toner or Laserjet for Recycling. The Shrine can earn .25¢ per cartridge.

Nur Shrine is now part of the Planet Green Recycle Fundraising Program! We've made the program easy to help you raise funds for your organization throughout the entire year.

Important! This is your Fundraising Program ID code: **32717**.

This unique ID Number is used to track recycling and purchases made on Planet Green Recycle website and used to credit your organization.

There are two easy ways for your organization to continually raise funds.

1. **Recycling** - Every time your community of supporters use your program I.D. number **32717** to request a free shipping label to recycle their used ink cartridges at www.PlanetGreenRecycle.com it guarantees that your fundraiser is credited for those submissions.

2. **Buying Recycled** - Planet Green Recycle offers the largest selection of U.S. remanufactured and name branded OEM surplus printer cartridges on the market. Each time someone makes a purchase of ink or toner at www.PlanetGreenRecycle.com and add your **Program ID 32717** next to their **first name when checking out**, Planet Green contributes 10% of the total purchase back to your organization.
