Our Mission

Nur Shriners is one of 196 Shrine Centers that comprise Shriners International. We are a part of the Masonic Fraternity and founded on fun and fellowship, all the while holding true to the Masonic principles of brotherly love, relief, and truth. In 1920, the Imperial Council voted to establish a "Shriners Hospital for Crippled Children," which opened in 1922 in Shreveport, LA. From this one hospital grew a network of hospitals known today as Shriners Hospitals for Children, whose mission is to provide orthopedic care, burn treatment, cleft lip and palate care, and spinal cord injury rehabilitation for children 18 years of age and under in a family-centered environment with NO financial obligation to patients or families. Specifically, Nur Shriners support the Shriners Hospitals for Children - Philadelphia through transporting children to and from the Hospital and raising funds for its operation.

As part of the Masonic Fraternity, one must be a Mason in order to join. If you would like more information about Nur Shriners or the Masonic Fraternity, drop us a note either through email or by calling.

The Work is Never Finished – Chief Rabban, Mark Button

Every Shriner is first a Master Mason. While the Masonic Lodge provides a moral, intellectual, and philosophical foundation, Shriners International brings those fraternal principles to life in a dynamic, joyful, and highly visible way. If you look closely at Shriners International's mission today, you will clearly see the three primary tenets of Freemasonry—Brotherly Love, Relief, and Truth—driving their incredible work.

Freemasonry teaches us to regard the entire human species as one family, encouraging deep social bonds and mutual respect. In 1872, Master Masons founded Shriners International to create a space where the solemn work of the Lodge could be complemented by high-spirited fellowship. Often called the "Playground of Freemasonry," this tenet of Brotherly Love manifests today in colorful parades, local temple events, and the iconic red fezzes. By fostering a community of shared laughter and camaraderie, Shriners keep the fraternity's bonds strong, active, and publicly vibrant.

Relief is the Masonic commitment to charity—assisting those in distress and protecting the vulnerable. Shriners operationalized this on a historic scale in 1922 by establishing the first Shriners Hospital for Children. Today, this massive pediatric medical network provides specialized care for orthopedic conditions, burns, spinal cord injuries, and cleft lip or palate. True to pure Masonic relief, this world-class care is provided regardless of a family's ability to pay or insurance status. The fraternity actively raises millions annually and relies on members to personally transport patients, ensuring there are no barriers to life-changing care.

In Freemasonry, Truth represents a commitment to continuous learning, honesty, and behaving in a way that builds a better society. Shriners apply this pursuit of knowledge through their immense investment in clinical research and medical education. Shriners Children's doesn't just treat patients; it serves as a global training ground for pediatric specialists. They actively discover new treatments, invent superior prosthetics, and publish clinical trials that advance the standard of medical care worldwide. By operating their philanthropy with absolute financial transparency and ethical compliance, Shriners uphold the Masonic demand for honest, trustworthy public service.

Ultimately, Freemasonry is the blueprint, and Shriners International is the construction. The Lodge provides the philosophical scaffolding that teaches men how to be good. Shriners International takes those virtuous men and organizes them to build a joyful fraternity that actively heals children and uplifts communities.

Become a Shriner today and build upon the edifice! You have learned the theory of brotherhood and charity in your Lodge. Now, step onto the construction site. Join Shriners International to put those principles into physical action, add your strength to our living temple of pediatric healthcare, and help us expand a legacy of relief and joy

Behind the Fez: Understanding the Role of the Shrine Potentate

Every year, across hundreds of local Shrine Temples worldwide, peers choose one noble to wear the mantle of leadership. Known within the fraternity as the **Illustrious Potentate**, this officer holds the highest elective post in a local Shrine Center. To those outside the organization, the title sounds exotic and ceremonial. Inside the fraternity, however, the Potentate serves as the chapter's Chief Executive Officer, chief community ambassador, and lead philanthropic advocate.

Serving a strictly limited one-year term, a Potentate shoulders immense responsibility across administrative, ceremonial, and charitable fronts. Here is an inside look at what it truly takes to govern a Shrine Temple.

The Executive at the Helm

While tradition and fellowship are central to the Shriners, a local temple functions very much like a modern non-profit corporation. The Potentate presides over the **Divan**—the temple's governing board of directors—and manages the operational and financial health of the center.

From overseeing facilities, budgets, and staff to convening stated business meetings and appointing vital committee chairs, the Potentate sets the operational agenda. Because his tenure is only twelve months, successful leadership hinges on strategic planning and empowering trusted team members rather than trying to manage every detail alone.

Champion of the Mission: Shriners Children's

At the core of every Shriner's service is the fraternity's beloved philanthropy: **Shriners Children's**. Providing specialized pediatric care regardless of a family's ability to pay, the hospital network depends heavily on grassroots support.

The Potentate acts as the philanthropic champion for his jurisdiction. He spearheads annual fundraising drives, coordinates volunteer patient transportation networks ("Shepherds"), and ensures the local community remains aware of the life-changing medical care available to children in need. For many Potentates, visiting the hospitals and meeting patient ambassadors is the defining emotional highlight of their year in office.

The Fraternal Spark: Membership and Fellowship

A temple thrives only when its members are engaged and energized. The Potentate is directly responsible for fraternal vitality, balancing recruitment with active member retention.

Throughout his term, he presides over the **Ceremonial**—the ritual initiation through which candidates are formally welcomed into the brotherhood. Beyond formal degree work, the Potentate fosters family inclusion, organizing social galas, family outings, and special interest unit activities (from mini-choppers to pirates to clowns units, and beyond) that keep the fraternal bond vibrant and relevant across generations.

The Face in the Community

When the public sees the iconic red fez, mini-Corvettes, red wagons, clowns, and mini-choppers in local hometown parades, the Potentate leads the delegation. As the public-facing representative of the temple, he serves as an ambassador of civic goodwill. He also serves as host when visiting dignitaries—including the **Imperial Potentate**, the fraternity's international president—arrive for official temple inspections and grand festivities.

A One-Year Legacy

Leading a Shrine Center is an intense, demanding, and deeply rewarding endeavor. With only 365 days to make a lasting mark, a Potentate must balance fiscal stewardship, community visibility, and charitable impact. When his term concludes and he joins the ranks of Past Potentates, his true legacy is measured by the strength of the temple he leaves behind and the lives transformed through the fraternity's philanthropic mission.

A Heartfelt Thank You: Leading Nur Shrine Forward

To the Nobles, Ladies, and families of Nur Shrine: I am profoundly humbled and honored by your trust and confidence in nominating me to serve as your next Potentate.

Leading a Shrine Center is both an intense responsibility and an extraordinary privilege. With only 365 days in this upcoming term, I pledge unwavering dedication to strengthen our temple's financial stewardship, elevate our visibility in the community, and champion our shared mission supporting Shriners Children's.

This journey is not one walked alone; the true strength of Nur Shrine lies in the fellowship, passion, and commitment of every Noble and club across our jurisdiction. Thank you for bestowing this honor upon me. Together with Lady Heike, my Shriner sons Samuel and Thomas, and our dedicated Divan, I look forward to an incredible, vibrant year ahead in service to our great fraternity.

NUR SHRINE LEGION OF HONOR

VETERANS, ACTIVE AND PRIOR SERVICE MEMBERS OF ALL BRANCHES OF MILITARY SERVICE

The Nur Shrine Legion of Honor (LOH) is one of the oldest and most active units in Nur Shrine. How we obtained that status is quite simple – it is the bond formed through having served in the military. We know how to have fun and get things accomplished by working together.

In addition to our monthly meetings, we have several social functions every year, all of which include our Ladies. They are Past Commanders and Ladies Night, Commanders Banquet, Memorial Day Wreath Laying Ceremony, followed by a picnic. We partially defray the cost of these functions through the two gun shows we work at and sponsor each year. Members participate in various community parades as well as the Mid-Atlantic Shrine Association annual parade. Some members travel to Legion of Honor functions at other Shrine Centers.

Membership Requirements:

- Be a Master Mason
- Be a member of Nur Shrine
- Present proof of military service, DD214, or Military identification card

If you do not meet the first two requirements, ask us, and we will help you through the process. If you are interested in becoming a member of the Legion of Honor, please return this to: Legion of Honor, Nur Shrine, P.O. Box 10085, Wilmington, DE 19850-0085

New Patient Referral Process Approved at Imperial Session

**Shriners Hospitals
for Children®**

Great news! It is now easier than ever to refer a patient to Shriners Hospitals for Children®! At the 138th Annual Session in July 2012, the attending delegates approved amendments to the Colorado Bylaws 509.2 and 509.3 which simplified the way for patients to access Shriners Hospitals. Patients/families no longer need to fill out a two-page application form that must be processed before being considered for treatment. While this is a big change for our system and YOU, we want to assure you that our Shriners are more important than ever in finding children that need our help; as well as informing the public about the noble mission of Shriners Hospitals for Children. We need your participation now, more than ever, to reach more patients. This new process makes it easier for our patients and will still allow for engagement with the nobility. Travel and transportation support should not change. Contact your Shrine temple or hospital if you have questions.

This new intake process continues to support your valuable referrals, without the added step of completing a patient application. Instead, simply provide patients/families with the Shriners Hospitals for Children patient referral card, which may be obtained from your hospital or Shrine temple. In addition, a new Patient Referral Form will be forthcoming in the near future. However, the referral card is preferred, with the patient/family calling the hospital's referral intake line directly. Why? This is the quickest and most convenient way for a patient to get the care they need.

When did this start? In October 2012, Shriners Hospitals simplified the process for our new patients; allowing patients' immediate scheduling for an appointment if their clinical needs meet the hospital's scope of service. To avoid any confusion to our patients or the community, temple staff are asked to no longer use the application form and remove any reference to a patient application process in temple materials or website. Thank you for your continued hard work in helping the children. Please contact your local Shriners Hospitals facility if you have any questions.

If you are looking for something to do with those old ink jet cartridges instead of just throwing them away the Shrine can make a little money on those cartridges. It is of NO cost to you. They accept only inkjet cartridges, they **Do Not** Accept Toner or Laserjet for Recycling. The Shrine can earn .25¢ per cartridge.

Nur Shrine is now part of the Planet Green Recycle Fundraising Program! We've made the program easy to help you raise funds for your organization throughout the entire year.

Important! This is your Fundraising Program ID code: **32717**.

This unique ID Number is used to track recycling and purchases made on Planet Green Recycle website and used to credit your organization.

There are two easy ways for your organization to continually raise funds.

1. **Recycling** - Every time your community of supporters use your program I.D. number **32717** to request a free shipping label to recycle their used ink cartridges at www.PlanetGreenRecycle.com it guarantees that your fundraiser is credited for those submissions.
2. **Buying Recycled** - Planet Green Recycle offers the largest selection of U.S. remanufactured and name branded OEM surplus printer cartridges on the market. Each time someone makes a purchase of ink or toner at www.PlanetGreenRecycle.com and add your **Program ID 32717** next to their **first name when checking out**, Planet Green contributes 10% of the total purchase back to your organization.
