The Graduate English Association invites all members of the Temple English community to attend the third annual Graduate Student Research Symposium. In 2015, we hope the symposium will continue to foster the spirit and practice of exchange, collaboration, and intellectual community among members of the department, and to function as a springboard for future projects.

Two panels of three presenters and one faculty respondent will be convened to discuss the various issues at stake in the presenters’ current research. Each panel will conclude with a Q&A session. Join fellow students and faculty members as we cultivate research questions, connect with like-minded scholars, and collect feedback on developing ideas and presentation skills.

The symposium will commence with a luncheon at noon, and panel presentations will begin at 1:00pm. We will close our time together with a reception at 4:15pm.

Student Presenters:
