Academic Information

College/University Attended:

Expected date of graduation:

Major**:**

GPA:

Previous Experience

Relevant course work (list the courses and respective grades)?

Previous research experience?

Any experience with Microsoft Office Suite? If so, please describe.

Goals

What areas of psychology most interest you? Be as broad or specific as you like.

What are you hoping to get out of interning in our lab?

What are your current post-graduation plans? Feel free to speculate.

Availability

Which semester(s) are you currently applying for? Fall Spring Summer

Are you willing to work in-person?

Undergraduate interns and volunteers are asked to work at least 9-10 hours per week in the lab during the semester. Would this be something you could commit to?

Are there any special days that you know you absolutely cannot work?

Please note the lab is open approx. Monday-Friday 8AM-4:30 PM. On occasion participants will be run after hours or on weekends.
