EDUCATION

- 2006-2007 Post-doctoral training, *Speech Motor Control*
Boston University (BU) & Massachusetts Institute of Technology (MIT)
 Advisors: Frank H. Guenther, PhD, & Joseph S. Perkell, DMD, PhD
- 1999-2006 PhD, *Language and Communicative Disorders*
San Diego State University (SDSU) & University of California, San Diego (UCSD)
 Dissertation: *The Nature and Time Course of Motor Programming in Apraxia of Speech*
 Advisor: Donald A. Robin, PhD, CCC-SLP
- 1995-1998 MA, *Neurolinguistics (cum laude)*
University of Groningen (the Netherlands)
 Thesis: *Sentence Comprehension and Sentence Anagrams in Broca's and Wernicke's Aphasics*
 Advisor: Roelien Bastiaanse, PhD
- 1994-1995 BA, *Dutch Linguistics and Literature*
University of Groningen (the Netherlands)

ACADEMIC POSITIONS and AFFILIATIONS

- 2018-present Associate Professor (tenured)
Temple University, Philadelphia, PA; *Communication Sciences and Disorders*
- 2015-2018 Assistant Professor
Temple University, Philadelphia, PA; *Communication Sciences and Disorders*
- 2010-2015 Assistant Professor
University of Arizona, Tucson, AZ; *Speech, Language, and Hearing Sciences*
- 2008-2009 Research Associate
University of Arizona, Tucson, AZ; *Speech, Language, and Hearing Sciences*
- 2008-2009 Adjunct Instructor
University of Arizona, Tucson, AZ; *Speech, Language, and Hearing Sciences*
- 2007 Adjunct Instructor
Massachusetts General Hospital Institute of Health Professions, Boston, MA;
Communication Sciences and Disorders
- 2006 Adjunct Instructor
Northeastern University, Boston, MA; *Speech-Language Pathology and Audiology*

- 2003-2004 Adjunct Instructor
San Diego State University, San Diego, CA; *Speech, Language, and Hearing Sciences*
- 1998-1999 Visiting Scholar
San Diego State University, San Diego, CA; *Speech, Language, and Hearing Sciences*
University of California, San Diego, La Jolla, CA; *Psychology*
- 1999 Clinical Linguist
Rehabilitation Center Rijndam, Rotterdam, the Netherlands; *Rotterdam Aphasia Foundation*
- 1999 Lab Manager
University of Groningen, Groningen, the Netherlands; *Linguistics*
- 1997-1998 Research Assistant
University of Groningen, Groningen, the Netherlands; *Linguistics*
- 1997 Clinical Linguist (intern)
Rehabilitation Center Rijndam, Rotterdam, the Netherlands; *Rotterdam Aphasia Foundation*

AWARDS & HONORS

- 2014 Fellowship, *National Institutes of Health (NIH)*, Fourteenth Annual OBSSR/NHLBI Summer Institute on Randomized Behavioral Clinical Trials
- 2010 Fellowship, *American Speech-Language-Hearing Foundation & Research and Scientific Affairs Committee (ASHA-RSAC)*, Grant Review and Reviewer Training Program
- 2009 Fellowship, *American Speech-Language-Hearing Association & National Institute on Deafness and Other Communication Disorders (ASHA/NIDCD)*, Lessons for Success
- 2008 Editor's Award, *American Journal of Speech-Language Pathology*, for Maas et al. (2008)
- 2005 Student Research Travel Award, *American Speech-Language-Hearing Association (ASHA)*
- 2004, 2005 Student Fellowship, *National Institute on Deafness and Other Communication Disorders (NIDCD)*, Research Symposium in Clinical Aphasiology
- 2004 Graduate Student Scholarship, *American Speech-Language-Hearing Foundation*
- 2004 Kala Singh Memorial Scholarship
- 2002 Junior Mentor, *Clinical Aphasiology Conference*, First Annual Mentoring Luncheon
- 2001, 2003 Scholarship, *Friends of the International Center* at the University of California, San Diego
- 2001 International Student Scholarship, *Phi Beta Delta*
- 1998 Scholarship, *VSB Bank (the Netherlands)* for research training at San Diego State University and University of California, San Diego

RESEARCH SPECIALTIES

- Speech production (focus on **speech motor planning** and **phonological planning**)
- Speech disorders in children and adults (focus on **apraxia of speech** and **phonological disorders**)
- Speech motor learning (focus on **principles of motor learning** in **speech treatment**)
- Clinical trial design (including **randomized controlled trials** and **single-case experimental designs**)

RESEARCH FUNDING

Under Review

2024-2027 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 R21 (PI: Heller Murray)
Intelligibility and Dysphonia in Children with Vocal Fold Nodules
 Role: Co-Investigator (PI: E. Heller Murray)
 Total requested: \$594,375 (direct cost \$375,000)

Active

2023-2025 **Michael J. Fox Foundation for Parkinson's Research**
 MJFF-023300 (PI: Moya-Galé)
Understand Me for Life: Using Noise-Augmented Automatic Speech Recognition to Improve Intelligibility in Parkinson's Disease.
 Role: Co-Investigator (PI: G. Moya-Galé; Co-PI: B. Keller)
 Total award: \$500,000

2021-2026 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 R01 DC018781 (PI: Hoover)
Understanding Mechanisms of Change and Optimal Parameters in Conversation Treatment for Aphasia
 Role: Co-Investigator (PI: E. Hoover; Co-Investigator: G. DeDe)
 Total award: \$3,218,654 (direct cost \$2,453,813)

2020-2024 **National Health and Medical Research Council (Australian Government)**
 APP1182901 Clinical Trials and Cohort Studies (PI: McCabe)
Dynamic Speech Therapy for Children with Apraxia
 Role: Co-Investigator & Site PI (Project PI: P. McCabe; Co-Investigators: S. Arora, R. Heard, E. Murray, J. Preston, A. Purcell, & D. Thomas)
 Total award: \$903,067 (AUS \$)

2019-2024 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 R01 DC017768 (PI: Maas)
ASSIST: Child Apraxia Speech Treatment
 Role: PI (Co-Investigators: S. Caspari & J. Wu)
 Total award: \$2,169,698 (direct cost \$1,368,895)

Completed

2021-2023 **Once Upon a Time... Foundation**
 Treatment grant (PI: Preston)
The Effect of Treatment Intensity Using Dynamic Temporal and Tactile Cueing in Childhood Apraxia of Speech Treatment
 Role: Co-PI (PI: J. Preston; Co-PI: P. McCabe)
 Total award: \$669,000 (awarded but returned due to disagreement with funder)

- 2017-2020 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
R21 DC015859 (PI: Hoover)
A Comparison of the Effects of Dosage and Group Dynamics on Discourse Outcomes in Aphasia
Role: Co-Investigator (PI: E. Hoover; Co-Investigator: G. DeDe)
Total award: \$498,560 (direct cost \$348,992)
- 2016-2017 **Childhood Apraxia of Speech Association of North America (CASANA)**
Treatment Research Grant (PI: Maas)
Bang for your Buck: A Systematic Investigation of Amount and Intensity of Practice in Treatment for Childhood Apraxia of Speech
Role: PI (Consultants: C. Gildersleeve-Neumann, K. Jakielski, & R. Stoeckel)
Total award: \$35,000
- 2016-2017 **Cleft Palate Foundation**
Junior Investigator Research Grant (PI: Scheer-Cohen)
Applying Principles of Motor Learning in Articulation Therapy for Children with Cleft Palate
Role: Mentor/Consultant (PI: A. Scheer-Cohen)
Total award: \$5,000
- 2013-2016 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
R03 DC013152 (PI: Preston)
Ultrasound Biofeedback for Therapy-Resistant Children with Speech Sound Disorders
Role: Consultant (PI: J. Preston)
Total award: \$557,214 (direct cost \$300,000)
- 2010-2015 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
K01 DC010216 (PI: Maas)
Psycholinguistic Investigations of Development and Disorders of Speech Production
Role: PI (Mentors: L. Gerken & B. Story)
Total award: \$704,259 (direct cost \$651,548)
- 2009-2012 **American Speech-Language-Hearing Foundation**
New Century Scholars Research Grant (PI: Maas)
Feedback and Feedforward Control Mechanisms in Apraxia of Speech
Role: PI (Collaborators: F. Guenther & B. Story)
Total award: \$10,000
- 2009-2010 **Childhood Apraxia of Speech Association of North America (CASANA)**
Treatment Research Grant (PI: Maas)
Practice Schedule and Feedback Frequency in Treatment for Childhood Apraxia of Speech
Role: PI (Co-Investigator: K. Farinella)
Total award: \$12,000

OTHER FUNDING

(training grants, conference grants, intramural funding)

Under Review

2024-2025 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 F31 (PI: Littlejohn)
Acoustic Measures in Diagnosis and Subtyping of Childhood Apraxia of Speech
 Role: Sponsor (PI: M. Littlejohn; Co-Sponsors E. Heller Murray, L. Dumenci, & J. Reilly)
 Total requested: \$73,289

In Revision

2022-2026 **Department of Education**
 Preparation of Special Education, Early Intervention, and Related Services Leadership
 Personnel grant (Assistance Listing Number/CFDA 84.325D) (PD: Bedore)
Intervention and Higher Education Pedagogy in CSD for a Diverse Society
 Role: Co-Director (Project Director: L. Bedore)
 Total requested: \$1,147,792 (direct cost \$1,109,048)

Active

2020-2023 **Portland State University**
 Faculty grant (PI: Gildersleeve-Neumann)
Effectiveness, Efficacy, and Efficiency of Therapy for Speech Sound Disorders in Bilingual Children: Comparing Spanish-English Bilingual and English-Monolingual Treatment Delivery
 Role: Consultant (PI: C. Gildersleeve-Neumann)
 Total awarded: \$15,000

Completed

2020-2022 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 F31 DC018723 (PI: Beiting)
The Impact of Individual-Level Factors on Progress in Speech Therapy for Children with Childhood Apraxia of Speech (CAS)
 Role: Sponsor (PI: M. Beiting; Co-Sponsors: D. Coffman & J. Iuzzini-Seigel)
 Total awarded: \$63,024

2019-2021 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 F31 DC017654 (PI: Spencer)
Neural Mechanisms of Speech Production in Intervention for Residual Speech Sound Disorders
 Role: External Co-Sponsor (PI: C. E. Spencer; Sponsor: S. Boyce)
 Total award: \$84,848

- 2018 **Temple University Graduate School**
 First Summers Research Grant (PI: Beiting)
Treatment for Speech Disorders in Children with Autism Spectrum Disorder: A Novel Treatment
 Role: Mentor (PI: M. Beiting)
 Total award: \$6,500
- 2017 **Temple University Graduate School**
 First Summers Research Grant (PI: van Zelst)
Unpacking Active Ingredients and Optimizing Treatment Outcomes for Children with Childhood Apraxia of Speech: Simultaneous Audio & Visual Entrainment (SAVE) Treatment
 Role: Mentor (PI: A. van Zelst)
 Total award: \$6,500
- 2017 **Once Upon A Time... Foundation**
 Conference Grant (PI: Maas)
Treatment of Childhood Apraxia of Speech using DTTC (February 25-26, 2017)
 Role: PI (organizer)
 Total award: \$20,997
- 2015-2017 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 F31 DC014375 (PI: Mailend)
Speech Motor Planning in Apraxia of Speech and Aphasia
 Role: Co-Sponsor (PI: M.-L. Mailend; Sponsor: P. Beeson)
 Total award: \$86,240

Not Awarded

- 2022-2026 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 K23 (PI: Heller Murray)
Quantifying the role of vocal and articulatory variability in pediatric dysphonia
 Role: Mentor (PI: E. Heller Murray)
 Total requested: \$914,719 (direct cost \$846,961)
- 2019 **National Institutes on Deafness and Other Communication Disorders (NIH/NIDCD)**
 T32 (PI: Reilly)
Plasticity in Learning and Communication: A Lifespan Perspective
 Role: Faculty Affiliate (PI: J. Reilly)
- 2019 **Autism Speaks**
 Predoctoral Training Award (PI: Beiting)
Autism Centered Therapy for Childhood Apraxia of Speech (ACT4CAS)
 Role: Advisor (PI: M. Beiting)
 Total requested: \$70,000

- 2018 **Autism Science Foundation**
Predoctoral Training Award (PI: Beiting)
Autism Centered Therapy for Childhood Apraxia of Speech (ACT4CAS)
Role: Advisor (PI: M. Beiting)
Total requested: \$25,000
- 2014 **American Speech-Language-Hearing Foundation**
Clinical Research Grant (PI: Maas)
A Systematic Investigation of Amount and Intensity of Practice in Treatment for Childhood Apraxia of Speech
Role: PI
Total requested: \$50,000
- 2008 **American Speech-Language-Hearing Association**
Advancing Academic Research Careers (AARC)
Role: PI
Total requested: \$5,000
- 2008 **University of Arizona**
Faculty Small Grant
Learning New Speech Utterances: Effects of Practice Schedule
Role: PI
Total requested: \$10,000

PRESENTATIONS

(* indicates student co-author)

Invited Presentations

- a. **Maas, E.** (2025). ASSIST: Lessons from a randomized controlled trial of treatment for childhood apraxia of speech. Invited speaker for the 2025 *Research Symposium on Clinical Trials for Treatment Effectiveness* at the American Speech-Language-Hearing Association Convention (Washington, DC, November 2025).
1. **Maas, E.** (2023). Dragons and astronauts: An epic saga of a randomized controlled trial of treatment for childhood apraxia of speech. Invited presentation at the Danish Speech-Language-Hearing Association's 100th anniversary conference (Nyborg, Denmark, March 2023).
2. **Maas, E.** (2022). Highlights from the 3rd Apraxia Kids Research Symposium. Invited presentation for the 2022 Apraxia Kids National Conference (Las Vegas, NV, July 2022).
3. **Maas, E.** (2022). Treatment for childhood apraxia of speech: Where are we and where do we go? Invited plenary presentation for the 2022 Childhood Apraxia of Speech Research Symposium (Las Vegas, NV, July 2022).
4. **Maas, E.** (2021). Childhood apraxia of speech (CAS) and speech sound disorders (SSD): How to cut the pie is no piece of cake. Invited presentation at a special panel session (with Susan Rvachew and Tricia McCabe) at the International Association of Logopedics and Phoniatrics meeting (virtual, December 2021).
5. Robin, D. A., & **Maas, E.** (2021). Evidence-based treatments for apraxia of speech in adults. Invited presentation for the New Hampshire Speech-Language-Hearing Association (virtual, September 2021).
6. Robin, D. A., & **Maas, E.** (2021). Fish or fowl: Diagnosing apraxia of speech in adults. Invited presentation for the New Hampshire Speech-Language-Hearing Association (virtual, September 2021).
7. **Maas, E.** (2020). Principles of motor learning and childhood apraxia of speech. Invited speaker for the 2020 on-line conference of ABRAPRAXIA (Brazilian Childhood Apraxia of Speech Association) (October 2020).
8. **Maas, E.** (2019). ASSIST: A phase 1 randomized controlled trial of integral stimulation speech therapy for childhood apraxia of speech (CAS). Invited research seminar in the Division of Speech and Language Pathology, Karolinska Institutet (Stockholm, Sweden, December 2019).
9. **Maas, E.** (2019). Principles of motor learning and speech production. Invited presentation at the Karolinska Institutet Winter Course on *Speech Production – Theoretical models related to neuromotor speech disorders in children and adults* (Stockholm, Sweden, December 2019).
10. **Maas, E.** (2019). Speech production models in relation to apraxia of speech (AOS). Invited presentation at the Karolinska Institutet Winter Course on *Speech Production – Theoretical models related to neuromotor speech disorders in children and adults* (Stockholm, Sweden, Dec. 2019).
11. **Maas, E.** (2019). Treatment for childhood apraxia of speech (CAS). Invited presentation at the Brain Korea Workshop at Ewha Womans University (Seoul, South Korea, August 2019).

12. **Maas, E.**, Santos Ford, D., & Vasiloff, G. (2019). Summer Camps for Childhood Apraxia of Speech. Invited Round Table discussion at the National Conference on Childhood Apraxia of Speech (Pittsburgh, PA, July 2019).
13. **Maas, E.** (2018). Evidence-based treatment for childhood apraxia of speech. Invited presentation at the International Conference on Special Education and Speech Therapy, dedicated to the 50th anniversary of Special Education & Speech Therapy at Tartu University (Tartu, Estonia, Oct. '18)
14. **Maas, E.** (2018). Zijn principes voor het leren van motorische vaardigheden relevant voor spraakontwikkelingsdyspraxie (SOD)? [Are principles of motor learning relevant for childhood apraxia of speech (CAS)?]. Invited talk in special session (with Ben Maassen, Veerle Waelkens, & Karin Brinkmann), presented at the annual conference of the VVL (Vlaamse Vereniging voor Logopedisten) [Flemish Speech-Language Pathology Association] (Gent, Belgium, March 2018).
15. **Maas, E.** (2018). Theoretisch kader bij spraakontwikkelingsdyspraxie (SOD): Waar gaat het mis? [Theoretical framework for childhood apraxia of speech (CAS): What goes wrong?]. Invited talk in special session (with Ben Maassen, Veerle Waelkens, & Karin Brinkmann), presented at the annual conference of the VVL (Vlaamse Vereniging voor Logopedisten) [Flemish Speech-Language Pathology Association] (Gent, Belgium, March 2018).
16. **Maas, E.** (2017). Principles of motor learning in treatment for apraxia of speech. Invited presentation in symposium on learning (with Gary Dell, Erica Middleton, Brenda Rapp, & Sofia Vallila Rohter), presented at the Academy of Aphasia (College Park, MD, November 2017).
17. **Maas, E.** (2017). Principles of motor learning: What are they and do they work for speech motor learning? Invited presentation at the Winter School on *Speech Perception and Production* (Berlin, Germany, January 2017).
18. **Maas, E.** (2016). Phonological planning and speech motor planning: Insights from speech-language production disorders. Invited presentation (*Speech and Language Science* committee) for panel entitled *Disorders at the interface of language and motor control: Experiments and modeling* (with Joe Duffy, Lisa Goffman, & Frank Guenther), presented at the American Speech-Language-Hearing Association Convention (Philadelphia, PA, November 2016).
19. Baker, E., & **Maas, E.** (2016). Making evidence-based decisions for children with speech sound disorders. Invited short course (*Speech Sound Disorders* committee), presented at the American Speech-Language-Hearing Association Convention (Philadelphia, PA, November 2016).
20. **Maas, E.** (2016). Principles of motor learning in treatment of apraxia of speech. Invited presentation at the Annual Eleanor M. Saffran Conference on Cognitive Neuroscience and Rehabilitation of Communication Disorders (Philadelphia, PA, September 2016).
21. **Maas, E.** (2016). An introduction to principles of motor learning in treatment for CAS: What are they and do they work? Invited presentation at the National Childhood Apraxia of Speech Conference (Itasca, IL, July 2016).
22. **Maas, E.** (2016). Apraxia of speech: Treatment approaches and their evidence. Invited oral seminar presented at the Annual Illinois Speech-Language-Hearing Association Convention (Rosemont, IL, February 2016).
23. **Maas, E.** (2016). Apraxia of speech: Current views on assessment and diagnosis. Invited oral seminar presented at the Annual Illinois Speech-Language-Hearing Association Convention (Rosemont, IL, February 2016).

24. **Maas, E.** (2014). Principles of motor learning in childhood speech disorders. Invited oral seminar for the *Motor Speech Disorders in Adults and Children* committee, presented at the American Speech-Language-Hearing Association Convention (Orlando, FL, November 2014).
25. **Maas, E.** (2013). An introduction to principles of motor learning and their relevance for speech and voice. Invited short course entitled *Motor Learning Principles: Clinical Implications for Voice Disorders*, presented at the American Speech-Language-Hearing Association Convention (Chicago, IL, November 2013).
26. **Maas, E.** (2013). State of the Art in CAS Neurocognitive-Behavioral Research: Some thoughts for moving forward in assessment and treatment. Panel response presented at the Childhood Apraxia of Speech Research Symposium (Atlanta, GA, February 2013).
27. **Maas, E.** (2012). Snake oil, fish oil, ethics, and evidence in the field of communication pathology. Invited short course, Department of Communication Pathology, University of Pretoria (Pretoria, South Africa, August 2012)
28. **Maas, E.** (2011). Interpreting the evidence in evidence-based practice: A tutorial on single-subject treatment research. Paper presented at the National Childhood Apraxia of Speech Conference (San Diego, CA, July 2011).
29. **Maas, E.** (2010). Principles of motor learning: A brief introduction. Invited presentation for short course entitled *Motor Learning Principles: Clinical Implications for Stuttering & Other Disorders*, at the American Speech-Language-Hearing Association Convention (Philadelphia, PA, Nov. 2010).
30. **Maas, E.** (2010). Principles of motor learning in childhood apraxia of speech. Invited presentation at the Grunewald-Blitz Workshop (Tucson, AZ, September 2010).
31. **Maas, E.** (2010). Principles of motor learning applied to childhood apraxia of speech: An overview and new evidence. Invited presentation at the National Conference on Childhood Apraxia of Speech (Pittsburgh, PA, July 2010).
32. Farinella, K., & **Maas, E.** (2010). Applying principles of motor learning to treatment for childhood apraxia of speech: New evidence. Invited presentation at the Arizona Speech-Language Hearing Association Convention (Phoenix, Arizona, April 2010).
33. **Maas, E.** (2009). Speech / spoken language planning in children. Invited presentation at the Auditory Cognitive Neuroscience Society Meeting (Tucson, AZ, January 2009).
34. Shapiro, L., Swinney, D., & **Maas, E.** (2003). The contributions of lexical and structural information in language comprehension. Invited symposium presented at the Clinical Aphasiology Conference (Orca's Island, WA, May 2003).
35. **Maas, E.** & Barlow, J. A. (2003). Complexity in language and learning: implications for planning treatment. Invited presentation at the First Annual Southern California Conference on Speech, Language and Hearing Sciences (San Diego, CA, February 2003).

Peer-Reviewed Conference Presentations

Submitted

- a. *Littlejohn, M., & **Maas, E.** (submitted). Validity of acoustic measures of prosody in childhood apraxia of speech. Presentation submitted to the 22nd Biennial Conference on Motor Speech (San Diego, CA, February 2024).
- b. *Littlejohn, M., & **Maas, E.** (submitted). Speech planning in children with and without speech sound disorders. Presentation submitted to the 22nd Biennial Conference on Motor Speech (San Diego, CA, February 2024).
- c. *Keller, S., & **Maas, E.** (submitted). Beyond impairment: Self-reported communication attitudes of children with childhood apraxia of speech (CAS). Presentation submitted to the 22nd Biennial Conference on Motor Speech (San Diego, CA, February 2024).
- d. *Littlejohn, M., Beiting, M., Caspari, S., Gildersleeve-Neumann, C., Stoeckel, R., & **Maas, E.** (submitted). Reliability and convergent validity of expert clinical opinion in the diagnosis of childhood apraxia of speech. Presentation submitted to the 22nd Biennial Conference on Motor Speech (San Diego, CA, February 2024).
- e. **Maas, E.**, Caspari, S., *Beiting, M., Gildersleeve-Neumann, C., Niculae-Caxi, T., Stoeckel, R., & Wu, J. (submitted). ASSIST speech therapy for childhood apraxia of speech (CAS): Effects on speech accuracy. Presentation submitted to the 22nd Biennial Conference on Motor Speech (San Diego, CA, February 2024).
- f. **Maas, E.**, *Cook, S., Alper, R., & Caspari, S. (submitted). How frustrating! Child frustration in intensive treatment for childhood apraxia of speech (CAS). Presentation submitted to the 22nd Biennial Conference on Motor Speech (San Diego, CA, February 2024).
- g. Nip, I., Allison, K., Case, J., Iuzzini-Seigel, J., Kent, R., **Maas, E.**, Schölderle, T., Terband, H., & Hayden, D. (submitted). An e-Delphi study on the assessment of pediatric motor speech disorders. Presentation submitted to the 22nd Biennial Conference on Motor Speech (San Diego, CA, February 2024).

Oral Presentations

- a. **Maas, E.**, Caspari, S., *Beiting, M., Gildersleeve-Neumann, C., Niculae-Caxi, T., Stoeckel, R., & Wu, J. (accepted). Caregiver-rated functional outcomes from a randomized controlled trial of speech therapy for childhood apraxia of speech (CAS). Paper accepted to the American Speech-Language-Hearing Association Convention (Boston, MA, November 2023).
- b. **Maas, E.**, Caspari, S., *Beiting, M., Gildersleeve-Neumann, C., Niculae-Caxi, T., Stoeckel, R., & Wu, J. (accepted). Effects of treatment intensity in virtual speech therapy for childhood apraxia of speech (CAS). Paper accepted to the American Speech-Language-Hearing Association Convention (Boston, MA, November 2023).

1. McCabe, T., Gomez, M., Preston, J., **Maas, E.**, Purcell, A., Thomas, D., Murray, E., Leece, M., Caballero, N., Beiting, M., Staples, T., & Heard, R. (2023). Reflections from the Dynamic Study: A randomised control trial comparing Dynamic Temporal and Tactile Cueing and usual care for children with childhood apraxia of speech. Paper presented at the World Congress of the International Association of Logopedics and Phoniatrics (Auckland, New Zealand, August 2023)
2. Hoover, E., DeDe, G., Szabo, G., Kulkarni, V., Kohen, F., Vitale, S., & **Maas, E.** (2023). Effects of conversation treatment for individuals with aphasia: Replication and extension of a randomized controlled trial. Paper presented at the Nordic Aphasia Conference (Reykjavik, Iceland, June 2023).
3. **Maas, E.**, Caspari, S., *Beiting, M., Gildersleeve-Neumann, C. E., Stoeckel, R., & Wu, J. (2022). Initial treatment efficacy of ASSIST for childhood apraxia of speech: A randomized controlled trial. Paper presented at the American Speech-Language Hearing Association Convention (New Orleans, La., November 2022).
4. **Maas, E.**, Caspari, S., *Beiting, M., Gildersleeve-Neumann, C. E., Niculae-Caxi, T., Stoeckel, R., & Wu, J. (2022). Virtual speech therapy for childhood apraxia of speech (CAS): Effects of intensity on functional outcomes. Paper presented at the American Speech-Language Hearing Association Convention (New Orleans, La., November 2022).
5. *Beiting, M., **Maas, E.**, & Iuzzini-Seigel, J. (2022). An exploratory analysis of individual-level predictors of CAS treatment response. Paper presented at the International Conference on Speech Motor Control (Groningen, the Netherlands, August 2022)
6. **Maas, E.**, Schölderle, T., Williams, P., Hayden, D., Iuzzini-Seigel, J., Kent, R., Murray, E., Nip, I., & Terband, H. (2022). Professional Education & Outreach Presentations, Workshops, and Colloquia

- a. **Maas, E.**, Cler, G., Chang, S.-E., Grillo, E., & Pham, G. (accepted). Successful research grant writing in Communication Sciences and Disorders: Advice from experts. Oral seminar as part of ASHA's Research and Scientific Affairs Committee series on professional development, accepted to the American Speech-Language-Hearing Association Convention (Boston, MA, November 2023).
1. **Maas, E.** (2023). Dragons, banoonos, wobbegongs, and baymo miggets: A randomized controlled trial of ASSIST for childhood apraxia of speech (CAS). Presentation at the Temple University Communication Sciences and Disorders Research Blitz (Philadelphia, PA, August 2023)
 2. **Maas, E.** (2022). Of castles and dragons: Functional outcomes of treatment for childhood apraxia of speech. Presentation at the Temple University Communication Sciences and Disorders proseminar (Philadelphia, PA, October 2022).
 3. **Maas, E.** (2022). How to ASSIST your dragon 2: A clinical trial of treatment for childhood apraxia of speech (CAS). Presentation at the Temple University Communication Sciences and Disorders Research Blitz (Philadelphia, PA, August 2022).
 4. **Maas, E.** (2022). Studying speech disorders: Research in the SLAB Lab and advice for new scientists. Invited presentation at the Diamond Research Scholarship program 2022 Kick-off (Philadelphia, PA, May 2022).
 5. *Keller, S., & **Maas, E.** (2022). Understanding the communication attitudes of children with childhood apraxia of speech. Poster presented virtually at Temple University's College of Public Health Research and Evidence Based Practice Day (Philadelphia, PA, April 2022).
 6. *Keller, S., & **Maas, E.** (2022). Self-reported communication attitudes of children with childhood apraxia of speech. Oral presentation at Temple University's Symposium for Undergraduate Research and Creativity (Philadelphia, PA, April 2022).
 7. **Maas, E.** (2021). An epic tale of castles, dragons, and magic: A phase 1 randomized clinical trial of ASSIST for childhood apraxia of speech. Invited presentation at the University of Wisconsin-Madison Department of Communication Sciences and Disorders seminar (virtual, October 2021).
 8. **Maas, E.**, Simon-Cereijido, G., Sharma, A., & Grasso, S. (2021). Thinking about a PhD? Information for prospective doctoral students. Oral session as part of ASHA's Research and Scientific Affairs Committee series on professional development, presented at the American Speech-Language-Hearing Association Convention (Washington, DC, November 2021).
 9. **Maas, E.** (2021). 2021: A Space camp Odyssey for children with childhood apraxia of speech (CAS). Presentation at the Temple University Communication Sciences and Disorders Research Blitz (Philadelphia, PA, August 2021)
 10. **Maas, E.** (2021). How to ASSIST your dragon: Parent-rated outcomes of an intensive treatment for childhood apraxia of speech. Presentation at the Temple University Communication Sciences and Disorders proseminar (virtual, March 2021).

11. **Maas, E.** (2021). Speech disorders: What's psycholinguistics got to do with it? Invited presentation at the Temple University Linguistics Club (virtual, March 2021).
12. **Maas, E., & *Beiting, M.** (2021). What's brewing at the SLAB Lab? Recent and ongoing research on childhood apraxia of speech. Invited presentation at the Greater Philadelphia Apraxia Support Group (virtual, February 2021).
13. **Maas, E.** (2020). Using psycholinguistic reaction time methods to understand speech disorders. Invited presentation at the Integrated Language Science and Technology Seminar, University of Pennsylvania (October 2020).
14. **Maas, E.** (2020). Of castles and dragons: A phase 1 randomized controlled trial of ASSIST, a treatment program for childhood apraxia of speech (CAS). Invited presentation at the Language Neurobiology Laboratory, UCSF Memory and Aging Center and UCSF Dyslexia Center (Sept. 2020).
15. **Maas, E.** (2020). ASSISTing communicative participation in children with childhood apraxia of speech (CAS). Presentation at the Temple University Communication Sciences and Disorders Research Blitz (Philadelphia, PA, August 2020).
16. **Maas, E.** (2020). Principles of motor learning and childhood apraxia of speech: A (hopefully) gentle introduction. Invited webinar for Apraxia Kids (June, 2020).
17. Caspari, S., *Beiting, M., & **Maas, E.** (2020 - accepted). "ASSIST"ing graduate students: Fostering success in a research practicum. Paper accepted for the 2020 National Conference on Childhood Apraxia of Speech (Plano, TX, July 2020). *CANCELED due to COVID-19.*
18. **Maas, E.** (2019). Apraxia of speech: Recent developments in diagnosis and treatment. Invited presentation at Cooper University Hospital (Camden, NJ, November 2019).
19. **Maas, E.** (2019). How to ASSIST your dragon: A clinical trial of treatment for childhood apraxia of speech (CAS). Presentation at the Temple University Communication Sciences and Disorders Research Blitz (Philadelphia, PA, August 2019).
20. **Maas, E.** (2019). Principles of motor learning in treatment for CAS: Updates, new findings, and future directions. Paper presented at the National Conference on Childhood Apraxia of Speech (Pittsburgh, PA, July 2019).
21. **Maas, E.** (2019). Interpreting the evidence in evidence-based practice: A tutorial on single-case experimental design treatment research. Paper presented at the National Conference on Childhood Apraxia of Speech (Pittsburgh, PA, July 2019).
22. *van Zelst, A., & **Maas, E.** (2018). Is timing really everything? Absolute and relative timing of speech in children with and without speech sound disorders. Poster presented at the College of Public Health Research Day (Philadelphia, PA, April 2018)
23. **Maas, E.** (2018). More BANG for your buck: Amount and intensity of treatment for childhood apraxia of speech. Presentation at the Communication Sciences and Disorders Proseminar, Temple University (Philadelphia, PA, March 2018).
24. **Maas, E.** (2018). Apraxia of Speech (AOS): A problem in speech motor planning. Presentation at the Philadelphia Aphasia Community at Temple (PACT) Second Saturday Community Group (Philadelphia, PA, February 2018).

25. *van Zelst, A., & **Maas, E.** (2017). Speech timing as a potential measure for differential diagnosis of speech disorders in children. Poster presented at the College of Public Health Research Day (Philadelphia, PA, April 2017).
26. **Maas, E.** (2017). Speech planning in apraxia of speech (AOS): Evidence from acoustic and reaction time studies. Invited presentation at New York University's Department of Communicative Sciences and Disorders colloquium (New York City, NY, February 2017).
27. **Maas, E.** (2016). Current research and clinical applications for childhood apraxia of speech. Invited in-service presentation at Children's Hospital of Philadelphia (Philadelphia, PA, December 2016).
28. **Maas, E.** (2016). Current research in the treatment of childhood apraxia of speech. Invited in-service presentation at AGSpeech Language Potential, LLC (Media, PA, September 2016).
29. **Maas, E.** (2016). Evidence-based diagnosis and treatment of childhood apraxia of speech. Invited in-service presentation at School District of Philadelphia (Philadelphia, PA, September 2016).
30. **Maas, E.** (2016). Diagnosis and treatment of childhood apraxia of speech. Invited in-service presentation at Montgomery County Intermediate Unit (Norristown, PA, August 2016).
31. **Maas, E.** (2016). Treatment for apraxia of speech in adults and children. Invited in-service presentation at Jefferson Hospital Outpatient Rehabilitation (Philadelphia, PA, June 2016).
32. **Maas, E.** (2016). Diagnosis and treatment of childhood apraxia of speech. Invited in-service presentation at St. Christopher's Pediatric Therapy (Jenkintown, PA, May 2016).
33. **Maas, E.** (2016). Bang for your buck: Optimizing treatment for childhood apraxia of speech. Presentation at the Communication Sciences and Disorders Proseminar, Temple University (Philadelphia, PA, April 2016).
34. **Maas, E.** (2016). Apraxia of speech: Assessment, diagnosis, and treatment. Invited in-service at the Rehabilitation Institute of Chicago (Chicago, IL, February 2016).
35. **Maas, E.** (2015). Speech planning in apraxia of speech (AOS): Some recent evidence from acoustic and reaction time studies. Invited presentation at Moss Rehabilitation Research Institute (Elkins Park, PA, November 2015)
36. **Maas, E.** (2015). Understanding speech sound disorders in children. Invited in-service presentation at Tucson Unified School District (Tucson, AZ, April 2015).
37. *Fisk, D., & **Maas, E.** (2015). The size of phonological units in children with speech sound disorders (SSD): Evidence from preparation priming. Poster presented at the University of Arizona Undergraduate Biology Research Program Conference (Tucson, AZ, January 2015).
38. **Maas, E.**, & *Mailend, M.-L. (2014). Diagnosis of apraxia of speech in children and adults: Current state of the art and considerations for the future. Invited presentation at the University of Arizona's NSSLHA Educational Forum (Tucson, AZ, September 2014).
39. **Maas, E.** (2014). Randomized controlled trials for behavioral interventions: Application to communication disorders. Presentation at the Speech, Language, and Hearing Sciences colloquium, University of Arizona (Tucson, AZ, October 2014).
40. **Maas, E.** (2013). A whirlwind tour of principles of motor learning and their relevance for speech and voice. Presentation for forum organized by graduate students, Department of Speech, Language, and Hearing Sciences, University of Arizona (Tucson, AZ, December 2013).

41. **Maas, E.** (2013). Treatment for childhood apraxia of speech: Some recent evidence. Presentation at the Department of Speech, Language, and Hearing Sciences Open House Homecoming (Tucson, AZ, November, 2013)
42. **Maas, E., & *Phillips, E.** (2013). Mispronunciation detection as a window into phonological knowledge. Presentation at the Speech, Language, and Hearing Sciences colloquium, University of Arizona (Tucson, AZ, October 2013).
43. **Maas, E.** (2013). Demystifying the principles of motor learning in speech therapy. Invited presentation, Childhood Apraxia of Speech Association of North America webinar (Sept. 2013).
44. **Maas, E.** (2013). Principles of motor learning in Childhood Apraxia of Speech. Invited presentation, SpeechPathology.com webinar (March 2013).
45. **Maas, E.** (2013). Feedback and feedforward control in apraxia of speech. Presentation at Speech, Language, and Hearing Sciences colloquium, University of Arizona (Tucson, AZ, January 2013).
46. **Maas, E.** (2012). Phonological planning in children with and without speech disorders. Presentation at the Speech, Language, and Hearing Sciences colloquium, University of Arizona (Tucson, AZ, October 2012).
47. **Maas, E.** (2012). Phonological planning in typical development and in children with speech sound disorders. Invited presentation at the Speech Research Laboratory colloquium, Indiana University (Bloomington, IN, June 2012).
48. **Maas, E.** (2012). Speech planning in children with and without speech disorders. Invited presentation at the Speech, Language, and Hearing Sciences colloquium, Purdue University (West Lafayette, IN, June 2012).
49. **Maas, E., & *Gutiérrez, K.** (2012). Phonological representations in bilingual speakers. Presentation at Sound Minds, Department of Linguistics, University of Arizona (Tucson AZ, March 2012).
50. **Maas, E.** (2011). Apraxia of speech: Current views on diagnosis and treatment. Invited presentation, SpeechPathology.com webinar (November 2011).
51. **Maas, E.** (2010). It's not what you say, it's how you say it: Studies of speech production. Invited presentation at the Minority Access to Research Careers colloquium (Tucson, AZ, Nov. 2010).
52. ***Lopez, A. A., & Maas, E.** (2010). Insight into vowel errors and their treatment in childhood apraxia of speech. Poster presented at the University of Arizona Undergraduate Biology Research Program / Summer Research Institute Program (Tucson, AZ, August 2010).
53. ***Tellez, A.-A., & Maas, E.** (2010). Speech output planning in children: Bigger or smaller units? Poster presented at the University of Arizona Undergraduate Biology Research Program / Minority Health Disparity Program (Tucson, AZ, August 2010).
54. **Maas, E.** (2010). Treating speech production deficits in childhood apraxia of speech. Invited presentation at the Minority Health Disparities colloquium (Tucson, AZ, July 2010).
55. **Maas, E.** (2010). Treating speech production deficits in childhood apraxia of speech: Practice schedules and generalization patterns. Invited presentation at the University of Arizona Linguistics Colloquium (Tucson, AZ, April 2010).
56. **Maas, E.** (2009). Severe articulation disorders. Invited presentation at the L4 Forum, University of Arizona (Tucson, AZ, October 2009).

57. **Maas, E.**, & Farinella, K. A. (2009). Childhood Apraxia of Speech: Diagnosis and treatment. Invited in-service presentation, STARS Student Therapy (Tucson, AZ, October 2009).
58. *Gutiérrez, K., & **Maas, E.** (2009). Insight on segmental and holistic speech planning in children via auditory priming. Poster presented at the University of Arizona Undergraduate Biology Research Program / Minority Health Disparity Program (Tucson, AZ, August 2009).
59. **Maas, E.** (2009). Conditions of practice in treatment for motor speech disorders. Invited presentation at University of Arizona's NSSLHA Educational Forum (Tucson, AZ, March 2009).
60. **Maas, E.** (2008). Principles of motor learning applied to speech motor learning. Presentation at Speech, Language, and Hearing Sciences colloquium, Univ. of Arizona (Tucson, AZ, Jan. 2008).
61. Ballard, K. J., **Maas, E.**, & Robin, D. A. (2007). Principles of motor learning in treatment of motor speech disorders. Workshop presented at the Speech Pathology Australia National Conference (Sydney, Australia, May 2007).
62. **Maas, E.** (2004). Speech motor programming in apraxia of speech. Invited presentation at the Human Performance Laboratory, Texas A & M University (College Station, TX, March 2004).
63. **Maas, E.** (2003). Factors influencing the efficacy of treatment for acquired language disorders. Invited in-service at Braintree Rehabilitation Hospital (Braintree, MA, March 2003).
64. **Maas, E.** (2002). Psycho gap-filling. Paper presented at the annual Joint Doctoral Program Colloquium, UCSD (San Diego, CA, September 2002).
65. **Maas, E.** (2001). Treatment of sound production errors in aphasia and apraxia of speech: effects of phonological complexity. Paper presented at the annual Joint Doctoral Program Colloquium, SDSU (San Diego, CA, October 2001).
66. **Maas, E.** (2000). Processing recalcitrant pronouns. Paper presented at the annual Joint Doctoral Program Colloquium, UCSD (San Diego, CA, September 2000).
67. **Maas, E.** (1998). Zinsbegrip en zinsanagrammen in Broca-patiënten en Wernicke-patiënten. Paper presented at the TABU-day, Lectures in Linguistics (Groningen, Netherlands, June 1998).

TEACHING EXPERIENCE

Instructor

Graduate Courses

2023	Research Methods in Communication Sciences and Disorders (<i>Temple U.</i>)
2019	Topics in Speech, Language, and Hearing Science (doctoral seminar) (<i>Temple U.</i>)
2016-2023	Foundations and Management of Motor Speech Disorders (<i>Temple U.</i>)
2012-2013	Introduction to Research Methods in Speech and Hearing Sciences (<i>U. of Arizona</i>)
2010	Software Applications in SLHS – E-Prime (<i>U. of Arizona</i>)
2010	Speech Perception (combined with undergraduate section) (<i>U. of Arizona</i>)
2007	Neuromotor Speech Disorders (<i>MGH Institute of Health Professions</i>)
2007	Research Design (<i>MGH Institute of Health Professions</i>)
2006	Language Disorders in Children (<i>Northeastern University</i>)

Undergraduate Courses

2017-2021	Introduction to Research Methods in Communication Sciences (<i>Temple U.</i>)
2017	Topics in Communication Sciences & Disorders – Clinical Phonetics (<i>Temple U.</i>)
2010-2011	Speech Perception (combined with graduate section 2010) (<i>U. of Arizona</i>)
2008-2015	Phonetics (<i>U. of Arizona</i>)
2003-2004	Phonetics (<i>San Diego State University</i>)

Teaching Assistant

2006	Language as a Cognitive System (<i>University of California, San Diego</i>)
2004	Speech Instrumentation (<i>San Diego State University</i>)
2002	Introduction to Cognitive Science (<i>University of California, San Diego</i>)
2000-2002	Phonetics (<i>San Diego State University</i>)

Guest Lectures

2023	Speech and Language Disorders: Adults – WHO ICF framework (<i>Temple U.</i>)
2022	Foundations in Speech Science – Speech Perception, Coarticulation (<i>Temple U.</i>)
2022, 2023	Speech and Language Disorders: Adults – Principles of Motor Learning (<i>Temple U.</i>)
2016-2022	Topics in Communication Sciences & Disorders – Apraxia of Speech (<i>Temple U.</i>)
2017-2018	Topics in Speech, Language, & Hearing – Childhood Apraxia of Speech (<i>Temple U.</i>)
2015	Foundations and Management of Motor Speech Disorders (<i>Temple U.</i>)
2015-2016	Foundations and Management in Phonological Disorders (<i>Temple U.</i>)
2012	Evaluation Process in Speech-Language Pathology (<i>U. of Arizona</i>)
2010-2011	Introduction to Research Methods in Speech and Hearing Sciences (<i>U. of Arizona</i>)
2010, 2016-‘17	Normal Bases of Speech Production (<i>U. of South Carolina; on-line</i>)
2008-2016	Neuromotor Speech Disorders (<i>U. of Arizona</i>)
2008-2011	Scientific Thinking (<i>U. of Arizona</i>)
2005-2006	Motor Speech Disorders (<i>San Diego State University</i>)
2005	Communication Processes & Aging (<i>San Diego State University</i>)
2004-2005	Neurological Foundations of Cognition (<i>University of California, San Diego</i>)
2004	Speech and Language Neuroscience (<i>San Diego State University</i>)

2003-2004 Research Methods (*San Diego State University*)
 2002 Language Acquisition (*San Diego State University*)

MENTORING EXPERIENCE

Ph.D. Dissertation Committees

Chair

2021-	Meghan Littlejohn	Temple University
2022	Molly Beiting <i>The Impact of Individual-Level Factors on Progress in Speech Therapy for Children with Childhood Apraxia of Speech (CAS)</i> (funded by NIH F31 DC018723)	Temple University
2016-'18	Anne van Zelst (withdrawn)	Temple University
2017	Marja-Liisa Mailend <i>Speech Motor Planning in Apraxia of Speech and Aphasia</i> (funded by NIH F31 DC014375)	University of Arizona

Committee Member

2021	Caroline Spencer Chair: Suzanne Boyce <i>Neural Mechanisms of Speech Production in Intervention for Residual Speech Sound Disorders</i> (funded by NIH F31 DC017654)	University of Cincinnati
2016	Salomé Geertsema Chair: Anita van der Merwe <i>Application of Principles of Motor Learning in the Treatment of Speech Sound Disorders</i>	University of Pretoria (South Africa)
2015	Christina Meyers Chair: Elena Plante <i>Investigation of Treatment Dose Schedule for Children with Specific Language Impairment</i>	University of Arizona
2015	Ka Yu (Kelvin) Chong Chair: Tom Bever <i>The Role of Cognitive Complexity, Task Sequencing and Modality in Picture Difference Tasks</i>	University of Arizona
2011	Jessamyn Schertz Chair: Diana Archangeli <i>More or Less Voiced: Exaggerating Featural Contrasts in English Stops and Vowels</i>	University of Arizona

External Examiner

- 2022 **Monica Lancheros** **University of Geneva (Switzerland)**
 Chair: Marina Laganaro
Relationship between Speech and other Oromotor Gestures
- 2021 **Cassidy Fleming** **University of Alberta (Canada)**
 Co-Chairs: Teresa Paslawski & Jacqueline Cummine
Elevating Childhood Apraxia of Speech: Integrating Theory, Research, and Practice
- 2020 **Siu Chung (Eric) Lo** **City University of Hong Kong (China)**
 Chair: Wing Kuen (Andus) Wong
Development of Speech Specific Reinvestment Scale
- 2018 **Anne Marie Lewis** **Curtin University (Australia)**
 Chair: Neville Hennessey
Phonological and Speech Motor Abilities in Children with Childhood Apraxia of Speech and Phonological Disorder
- 2017 **Stacie Park** **University of Queensland (Australia)**
 Chair: Deborah Theodoros
Be Clear: A Novel Treatment for Non-progressive Dysarthria
- 2013 **Elizabeth Murray** **University of Sydney (Australia)**
 Chair: Patricia McCabe
Treatment Efficacy for Children with Childhood Apraxia of Speech

Master's Thesis CommitteesChair

- 2022- **Elise Swain** **Temple University**
The Role of Autonomy in Treatment for Children with Childhood Apraxia of Speech (CAS)
- 2022 **Shina Cook** **Temple University**
The Role of Frustration in Intensive Treatment of Childhood Apraxia of Speech
- 2020 **Alison Miler** **Temple University**
Effects of Childhood Apraxia of Speech Treatment on Intelligibility
- 2020 **Lauren Condoluci** **Temple University**
The Active Ingredients of Integral Stimulation Treatment: The Efficacy of Auditory, Visual, and Auditory-Visual Cues for Treatment of Childhood Apraxia of Speech
- 2020 **Tori Tone** **Temple University**
The Test of Time: Using Motor-Speech Timing Errors to Differentiate Children With and Without Speech Sound Disorders

- 2020 **Grace Potkovic** **Temple University**
Feedback Control in Treatment for Apraxia of Speech
- 2019 **Phillip Mahoney** **Temple University**
Script Training and Feedback Type in the Treatment of Apraxia of Speech
- 2017 **Mackenzie Welsh (Frees)** **Temple University**
A Systematic Examination of Practice Amount in Childhood Apraxia of Speech (CAS) Treatment using an Integral Stimulation Approach
- 2017 **Nicolette Kovacs** **Temple University**
Treatment of Childhood Apraxia of Speech: A Single-Case Experimental Design Study of Intensity of Treatment
- 2011 **Jenna Beltrami** **University of Arizona**
Changes in Vowel Space after Treatment in Childhood Apraxia of Speech
- 2011 **Christine Butalla** **University of Arizona**
The Effects of Feedback Frequency in Childhood Apraxia of Speech: Retention and Transfer

Committee Member / External Examiner

2010	Keila Gutiérrez	Biomedical Research Abroad: Vistas Open! (BRAVO) program
2010	Amanda Lopez	Summer Research Institute (SRI) program
2010	Anna-Alyse Tellez	Minority Access to Research Careers (MARC) program
2009	Keila Gutiérrez	McNair Achievement program

High School Student MentoringUniversity High School / University of Arizona

2012	Emily Tran	Southern Arizona Regional Science & Engineering Fair (SARSEF)
------	-------------------	---

External Mentoring

2021-2022	Jill Thorson (Assistant Professor) Up-2-NIH program	University of New Hampshire
2020-2022	Charlotte Purcell (King) (SLPD student) Capstone Research Chair A Comparison of Sound Production Treatment and Metrical Pacing Technique for Apraxia of Speech	Rocky Mountain University of Health Professions

ASHA Mentoring Academic Research Careers (MARC) program

2023-2024	Allison Aaron (Ph.D. student)	Boston University
2023-2024	Hasini Weerathunge (Ph.D. student)	Boston University
2021-2022	Qiang Li (Assistant Professor)	Fort Hays State University
2021-2022	Claudia Abbiati (Ph.D. student)	University of Vermont
2020-2021	Victoria Scharp (Assistant Professor)	Idaho State University
2019-2020	Jisook Park (Postdoctoral Fellow)	University of Toronto
2019-2020	Lynsey Keator (Ph.D. student)	University of South Carolina
2018-2019	Suzanne King (Assistant Professor)	University of Louisville
2018-2019	Elgustus Polite (Assistant Professor)	Xavier University of Louisiana

ASHA Advancing Academic Research Careers (AARC) program

2017-2018	Ramesh Kaipa (Assistant Professor)	Oklahoma State University
2016-2017	Alison Scheer-Cohen (Assistant Professor)	California State University, San Marcos

ASHA Lessons for Success program

2023	Hannah Rowe (Postdoctoral Fellow)	Boston University
	Seth Tichenor (Assistant Professor)	Duquesne University
2022	Robyn Croft (Ph.D. Candidate)	University of Texas, Austin
	Heather Kabakoff (Postdoctoral Fellow)	New York University
2021	Nicole Etter (Assistant Professor)	Pennsylvania State University
	Megan Willi (Assistant Professor)	California State University, Chico

ASHA Pathways program

2018	Ramesh Kaipa (Assistant Professor)	Oklahoma State University
------	---	----------------------------------

ASHA Students to Empowered Professionals (STEP) program

2021	Meng McLendon (Master's student)	Howard University
2018	Shawna Moreland (Undergraduate student)	Texas Women's University

ASHA PROMoting the next GENeration of Researchers (PROGENY) program

2018	Elaina Eskins (Undergraduate student)	Bowling Green State University
	Deborah Hong (Undergraduate student)	California State University, Fullerton
	Kathrin Roberts (Undergraduate student)	University of Nebraska, Kearney
2017	Keziah St. Louis (Undergraduate student)	New York University
2016	Taylor Robbins (Undergraduate student)	University of Toledo

Conference on Motor Speech mentorship program

2022	Kristen Allison (Assistant Professor)	Northeastern University
	Matthias Heyne (Postdoctoral Fellow)	University of Pittsburgh
